Sara the Health-Conscious Professional

DESCRIPTION

Sara is a young professional living in a busy city. She cares about her health but often struggles to balance work and wellness. She's eager to find a service that saves time while keeping her lifestyle on track.

NOTES

- Age: 29
- Occupation: Marketing Manager
- Tech Use: Heavy app user (food delivery, fitness tracking)
- Lifestyle: Urban, health-conscious, active on social media

MOTIVATIONS

- Quick, healthy meals
- Personalized diet plans
- Loyalty rewards and AI coaching

CHALLENGES

- Lack of time for meal prep
- Skepticism about hidden fees

GOALS

- Save time while maintaining a balanced lifestyle
- Pay for premium bundles if pricing is clear

OPPORTUNITIES

- Highlight transparent pricing for subscriptions and bundles
- Use loyalty rewards and AI diet recommendations to build trust

Type A2 — End Users (Primary Customers: Dietary Restriction Patients)

Zayd the Gluten-Free Individual

DESCRIPTION

Zayd is a young professional who has recently discovered he has a gluten intolerance. He seeks convenient meal options that are safe and satisfying for his dietary needs.

NOTES

- Age: 30
- Occupation: IT Consultant
- Tech Use: Moderate (meal planning apps, gluten-free resources)
- Lifestyle: Health-conscious, enjoys cooking and exploring new foods

MOTIVATIONS

- Safe, tasty gluten-free meals
- Ingredient transparency

CHALLENGES

- Hidden gluten in foods
- Limited dining options

GOALS

- Access meal subscriptions designed for gluten-free diets
- Trust food sourcing for safety

OPPORTUNITIES

- Provide gluten-free meal bundles with eco-packaging
- Show ingredient sourcing and AI suggestions for safe options

Type A3 — End Users (Primary Customers: Elderly)

Ghala Alghamdi S23108212

Hiba Amanulla S23108227

Amina the Elderly Woman

DESCRIPTION

Amina is a retired teacher in her late 60s who is passionate about maintaining her health. She seeks nutritious meal solutions that accommodate her dietary restrictions, including low-sodium and low-sugar options.

NOTES

- Age: 68
- Occupation: Retired Teacher
- Tech Use: Moderate (uses tablets for recipes, fitness tracking)
- Lifestyle: Independent, active, enjoys gardening and reading

MOTIVATIONS

- Healthy eating and staying active
- Convenient delivery options

CHALLENGES

- Mobility issues for shopping
- Limited choices for low-sodium/low-sugar diets

GOALS

- Access nutritious meal plans tailored to her restrictions
- Maintain well-being through diet and activity

OPPORTUNITIES

- Offer meal + wellness bundles with reminders
- Use loyalty badges to encourage healthy habits

Type A4 — End Users (Primary Customers: Parents & Families)

Rania the Vegan Mom

Ghala Alghamdi S23108212

Hiba Amanulla S23108227

DESCRIPTION

Rania is a busy mom of two who follows a vegan diet. She is dedicated to providing her children with healthy, plant-based meals that are quick to prepare and kid-friendly.

NOTES

- Age: 34
- Occupation: Freelance Graphic Designer
- Tech Use: Heavy (recipe apps, meal prep tools)
- Lifestyle: Eco-conscious, family-oriented, enjoys outdoor activities

MOTIVATIONS

- Healthy, plant-based meals for her family
- Sustainability in food choices

CHALLENGES

- Limited time for meal prep
- Children's picky eating

GOALS

- Provide quick, diverse vegan meals that kids enjoy
- Support eco-friendly food practices

OPPORTUNITIES

- Family vegan meal kits with eco-packaging
- Referral discounts for recommending the app

Type B — Business Clients (Examples: Corporates, Gyms, Clinics)

Omar the HR Manager

Ghala Alghamdi S23108212

Hiba Amanulla S23108227

DESCRIPTION

Omar manages employee wellness programs at a mid-sized company. He is focused on improving productivity and reducing healthcare costs by offering benefits that employees actually use.

NOTES

- Age: 40
- Occupation: HR Manager
- Tech Use: Comfortable with dashboards, reports, HR platforms
- Lifestyle: Practical, data-driven, cost-conscious

MOTIVATIONS

- Improve employee health
- Reduce healthcare costs

CHALLENGES

- Limited budgets for wellness programs
- Management approval for initiatives

GOALS

- Implement wellness packages with measurable ROI
- Offer benefits employees find valuable

OPPORTUNITIES

- Provide customizable bundles (meals + gym + consults)
- Deliver analytics dashboards for HR integration

Type C1 — Service Providers (Includes: Chefs, Nutritionists, Delivery, Gyms)

Ghala Alghamdi S23108212

Hiba Amanulla S23108227

Nabil the Meal Prep Chef

DESCRIPTION

Nabil is a professional chef specializing in meal prep services for various dietary needs. He aims to provide healthy, delicious meals while maintaining high food safety standards.

NOTES

- Age: 30
- Occupation: Meal Prep Chef
- Tech Use: Moderate (uses kitchen management software, social media for marketing)
- Lifestyle: Health-focused, creative, passionate about cooking

MOTIVATIONS

- Build a strong professional reputation
- Reach more clients without heavy marketing
- Share his cooking expertise with health-focused users

CHALLENGES

- Competing with larger meal services
- Maintaining ingredient quality at scale

GOALS

- Provide safe, delicious meals that meet diverse dietary needs
- Grow his business by collaborating with trusted health platforms

OPPORTUNITIES

- Partner with the app to supply meals for subscriptions and bundles
- Use app feedback tools to refine menus and attract loyal customers
- Gain more visibility by being featured as a verified chef partner

Type C2 — Service Providers (Includes: Chefs, Nutritionists, Delivery, Gyms)

Ghala Alghamdi S23108212

Hiba Amanulla S23108227

Lina the Nutritionist

DESCRIPTION

Lina is an experienced freelance nutritionist who partners with health-focused platforms. She values her professional reputation and wants reliable ways to reach new clients without investing in heavy marketing.

NOTES

- Age: 34
- Occupation: Certified Nutritionist (freelance)
- Tech Use: Moderate, uses professional and booking tools
- Lifestyle: Client-focused, health-driven, reputation-conscious

MOTIVATIONS

- Build credibility
- Gain steady income

CHALLENGES

- Competing providers
- Limited client exposure

GOALS

- Offer effective, personalized nutrition services
- Expand client base with low marketing effort

OPPORTUNITIES

- Feature in premium diet plans via the app
- Offer paid consultations and gain referrals

Type D1 — Management / Operations Team (Internal Stakeholders)

Ghala Alghamdi S23108212

Hiba Amanulla S23108227

Khalid the Operations Manager

DESCRIPTION

Khalid oversees operations, ensuring smooth delivery, compliance, and partnerships. He focuses on efficiency and sustainable growth of the service.

NOTES

- Age: 42
- Occupation: Operations Manager
- Tech Use: Uses dashboards, analytics, enterprise systems
- Lifestyle: Strategic, organized, detail-oriented

MOTIVATIONS

- Efficient operations
- Smooth delivery and compliance

CHALLENGES

- Managing multiple partners
- Ensuring service quality

GOALS

- Oversee scalable, sustainable operations
- Guarantee compliance and smooth service

OPPORTUNITIES

- Automate reporting
- Use real-time dashboards for oversight

Type D2 — Technology Team (Internal Stakeholders)

Ghala Alghamdi S23108212

Hiba Amanulla S23108227

Noura the Tech Lead

DESCRIPTION

Noura leads the technical development team. She ensures the app remains secure, scalable, and innovative while keeping downtime minimal.

NOTES

- Age: 33
- Occupation: Software Engineer (Tech Lead)
- Tech Use: Heavy (development tools, monitoring, AI training)
- Lifestyle: Problem-solver, innovation-driven, highly technical

MOTIVATIONS

- Build secure, scalable app solutions
- Stay ahead with AI features

CHALLENGES

- Managing downtime risk
- Ensuring payment security

GOALS

- Maintain secure, innovative app features
- Reduce errors and downtime

OPPORTUNITIES

- Use AI for meal recommendations
- Enhance trust with strong security and payment methods

Type D3 — Marketing & Growth Partners (Internal Stakeholders)

Ghala Alghamdi S23108212

Hiba Amanulla S23108227

Maya the Influencer Partner

DESCRIPTION

Maya is a lifestyle influencer who collaborates with wellness brands. She values authenticity in partnerships and wants to grow her audience while promoting health-focused content.

NOTES

- Age: 27
- Occupation: Influencer (Health & Lifestyle)
- Tech Use: Heavy (social media, analytics, content tools)
- Lifestyle: Trend-driven, audience-focused, brand-conscious

MOTIVATIONS

- Grow audience and brand
- Earn commissions through partnerships

CHALLENGES

- Measuring impact of collaborations
- Avoiding over-commercialization

GOALS

- Partner with authentic, health-focused brands
- Maintain credibility while monetizing content

OPPORTUNITIES

- Promote eco-packaged meals and wellness bundles
- Use referral campaigns and analytics to track engagement
